Content

Ensure the card content is concise and clearly communicates the value of the linked content. Use imagery that is relevant and high-quality to maintain visual consistency.

Eyebrow: Eyebrow text should be concise (typically one or two words) and serve as a category or topic indicator. Avoid full sentences or promotional language but focus on clarity and relevance.

Button: Make the label descriptive on what will follow. For example, don't use "Read more".

Accessibility

Ensure the full card is clickable.
