States

Arrow buttons support five distinct interaction states: default, hover, pressed, focus and disabled. To learn more about each interaction state, visit the [button guidelines](#).

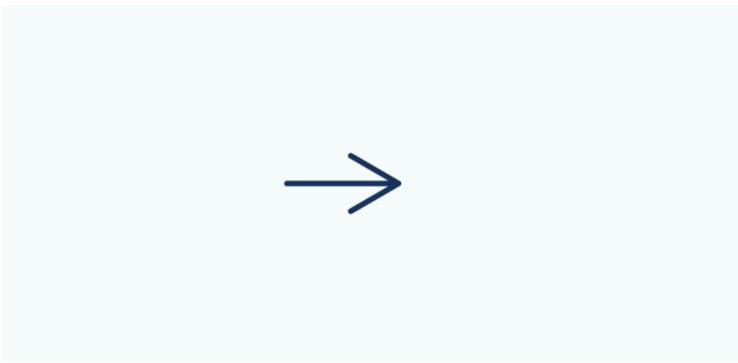

Size

Arrow buttons come in four sizes, each lengthening slightly when the hover and pressed states are activated.

Size	Height	Default width	Hover and pressed width	Stroke
S	12px	12px	16px	1px
M	18px	18px	23px	1.4px
L	24px	24px	30px	1.8px
XL	40px	40px	50px	2.8px

Don't distort the proportions of the arrow button.

Don't change the stroke thickness.
