

Eyebrow

Indicate category or topic above a headline.

- Overview
- Specs
- Guidelines

Size

Eyebrows are available in two sizes: medium and small. Small is used on mobile [viewports](#), while medium is applied on tablet and desktop.

Eyebrow size	Viewport	Typography token	Dash thickness
Medium	Desktop and tablet	heading-xs-300	1px
Small	Mobile	heading-2xs-300	1px

Character limit

The eyebrow is designed to never break on two rows.

Size	Max characters
Medium	~ 30
Small	~ 30

Color

The eyebrow uses a single color for both the em-dash and the content.
