States

All system button variants support five distinct interaction states: default, hover, pressed, focus and disabled. To learn more about each interaction state, visit the [button guidelines](#).

Size

System buttons are available in two sizes, with medium being the most commonly used size. The button’s width adapts to the label content.

Size	Usage	Height	Target height	Max width
Small	In compact layouts when there is little space.	38px	38px	312px
Medium	Most common size.	48px	48px	312px
